

Summary of May, 2015 Pastoral Council Meeting

- ◆ Council will sponsor a **Ministry Fair** on **June 7** after all Sunday Masses. If looking for a way to get involved with your parish, come and explore what is there.

- ◆ A **Pro-life committee** will start under the auspices of the Council with Joe Fahy as head.
- ◆ In the fall we hope to initiate a **Meals for the Poor** program to expand our social action.
- ◆ Questions arose concerning the Papal visit: at present no information has come from the Diocese of Camden.
- ◆ Our **lower Church** is now painted with new windows and lighting. Not all the needed repairs have been done. There are future plans to have the bathrooms downstairs refurbished.
