

Our Lady Star of the Sea is a moderate-size parish with seasonal fluctuations in the number of parishioners. This means that the parish only has moderate means to operate year-to-year – certainly not the ability to meet extraordinary or emergency expenses such as those required by SWIN. The full-time and seasonal parishioners have had to dig very deep into their own pockets. They are now asking non-parishioner members of the community and the hundreds of visitors who pass through our doors each day to help cover the restoration costs for this beautiful building, so that it may continue to serve as a spiritual house of worship and a gathering place for many Cape May area community ministries.

Our devoted spiritual staff and all of today's and tomorrow's parishioners appreciate any tax-deductible offering you can make to help Stop Water Intrusion Now before more damage occurs to the church's structure. If you can, please locate a pink SWIN envelope for your donation or contact the Parish office at 609-884-5312. Thank you for your help.
